

MARIETTA CITY SCHOOLS  
SAFETY COMMITTEE MEETING  
January 26, 2012

Present: Dave Davis, Jeanne Whittekind, Renea Ball, Jona Hall, Will Hampton, Don Atkins, Rodney Hupp, Gwynette Hammond, Pat Gragan and Joe Finley.

Minutes from the last meeting were reviewed and approved with one correction. The exposure plan that was discussed was Blood borne Exposure.

There was a lot of discussion regarding: Training of staff members in giving meds to students. This discussion is being discussed because we are out of compliance with the state's ruling that; anytime we have a field trip and a student on that trip is on medication, a trained staff member in giving meds must be on that field trip.

Outcome from all the discussion is that Marcella Swaney will find out exactly what the law says. After that Marcella will talk with the principals about this situation and how they could ask their staff members to volunteer to be trained in administering medications to students.

Rodney Hupp, Pat Gragan and Jeanne Whittekind handed out plans/procedure regarding Crisis Prevention Plans.

Everyone on the committee is confused when it comes to lock down and Code Blues. After a couple of hours of discussion regarding Code Blues/Lock downs and ALICE it has been decided by the committee to have Dave Davis and Pat Gragan work on a Policy and Procedures for Code Blues, Lock Downs and Alice and review them at our next safety committee meeting.

Jona Hall brought up that Susan Ritzman was told she would serve on the safety committee to replace Susan Miller but has not been told about the meetings. Susan Ritzman is now a member of this Safety Committee and Linda Seevers will make sure she knows about future meetings.
