## Tiger Walkway of Honor

**Set your mark in Marietta High School History!**

Purchase a Varsity Athlete or Dedication Brick and help pave the Tiger Walkway of Honor. Any MHS varsity athlete, alumni, coach, teacher or booster is welcome to purchase a Brick of Honor. For clarification purposes, a booster is anyone who wishes to make a donation. The Varsity Athlete Brick of Honor is for recognizing any athlete who has earned a varsity letter in a Marietta High School sport. You may purchase an amount of Varsity Athlete Bricks equal to the number of sports that varsity letters were earned in while an athlete at Marietta High School. There is a limitation of one Varsity Athlete Brick per person per sport. The Dedication Brick of Honor for alumni, coaches, teachers or Boosters is available for those who wish to recognize these special individuals for their contributions to the proud traditions of Marietta High School. The proceeds from this fundraiser will benefit Tiger sports programs and athletes at both Marietta High School and Marietta Middle School.

Two Brick sizes available or a Limestone: 4" x 8" Brick - 1<sup>st</sup> brick is \$50.00 with additional bricks costing 35.00 each. A double brick (8" x 8") is \$100 each. Cost of a 16"x16" Limestone is \$250.00. **Please give us a call to discuss options, size of lettering, etc for 16 x 16 stones. We are limited as to the number of stones that can be installed in the walkway.**
